The following agreement constitutes a binding contract between Platinum Pocket Bullies, hereafter referred to as 'Breeder' and "Purchaser", identified and described above under Purchaser Information, hereafter referred to as 'Purchaser', for the sale and purchase of one Platinum Pocket Bullies puppy identified and described above under Puppy Information, hereafter referred to as 'Puppy'.

In consideration of a purchase price of \$ of which \$500 is a non-refundable holding fee. This represents the entire agreement between Breeder and Purchaser in an outright sale and payment is to be made in full before Puppy leaves Breeder's premises. A non-refundable holding fee of \$500 is hereby made on **MONTH, DAY, YEAR** via **etransfer/Cash** and the balance of \$ is due to the Breeder before the dog is placed in the Purchasers possession.

The puppy will be ready for pick up on **MONTH DAY YEAR** and must be picked up no later than **(5 days) MONTH DAY YEAR**, otherwise a boarding cost of \$30/day will apply.

Health Guarantee

Breeder warrants Puppy to be in good health and free from illness and current on all veterinary recommended vaccines and deworming at the time of transfer to Purchaser. Puppy will stay with Breeder until 8 weeks of age. Puppy will have at least one examination by a qualified veterinarian and will receive appropriate worming and vaccinations at Breeder's expense. Breeder requires Purchaser to have Puppy examined by a veterinarian of Purchaser's choice within 72 hours of transfer of Puppy at Purchaser's expense or the health guarantee portion of

this contract will be invalid. In the event of emergence of any genetic or congenital disorder , during this exam, which is sufficiently serious in the opinion of at least two licensed, qualified veterinarians, one of whom will be selected by Breeder, to deem Puppy unsuitable as a companion pet or to warrant euthanasia of Puppy, Breeder agrees to:

- A. Replace Puppy with one of equivalent quality within 18 months or at Breeder's option,
- B. Refund the original purchase price.

The Purchaser must provide Breeder with a veterinarian's statement, on veterinarian's letterhead, stating the genetic origin or health condition as well as prescribed treatment plan.

In either of these cases, Puppy must be relinquished to Breeder for placement in a suitable home or euthanized at Breeder's expense if deemed necessary. Veterinary expenses, testing costs associated with replacement Puppy are the responsibility of the Purchaser.

In the event of congenital disorder Purchaser must provide Breeder with all Veterinary records from date listed below. Through the date of discovery of the disorder. Purchaser must also inform Breeder within 24 hours of discovery of the defect.

If the Purchaser chooses to keep the defective Puppy, Breeder will refund 50% of the purchase price, that was originally paid for Puppy and listed on this contract. The 50% refund applies only to the purchase price and does not include veterinary costs. Choosing this option deems the health guarantee portion of this contract null and void.

Purchaser is responsible for scheduling and maintaining regular examinations by a veterinarian of their choice and is encouraged by Breeder to request fecal exams, immunizations and worming schedule starting within one week from the date Purchaser receives the Puppy from the Breeder. This guarantee is non-transferable.

The Buyer understands that there is no guarantee on final adult weight, size, fur or eye colour.

Purchaser Responsibility

Purchaser agrees to maintain Puppy in a humane environment with ample shelter, a healthy diet, fresh water, exercise and human interactions and to properly train and care for Puppy. Puppy will not be allowed to roam the Puppy will be socialized and obedience
